THESE THREE COMICS FEATURE INDIVIDUALS OF QUESTIONABLE HUMANITY.

(Only the Vick comic was made AFTER the person's fall from grace.) To make up for the subject's actions, these comics are \$50 each. You may EITHER: Send me the funds, which I will donate, or email a picture of your donation, to RAINN (The Rape, Abuse, & Incest National Network), which uses over 90% of donations for program work. Once the donations are made, you decide what I do with the art (Burn it, Shread it...It's your choice).
